

Somerset Local Authority (LA)

Admission arrangements applying to community (C) or voluntary controlled (VC) Schools

**Starting school at a primary, first, infant, junior or middle school
in September 2018 or joining any year group during the 2018/19 academic year**

Somerset LA is the Admissions Authority for all C and VC schools located within Somerset.

These admission arrangements should be read in conjunction with the LA 2018 coordinated admissions scheme.

Starting at a primary, first, infant, junior or middle school

Applications must be submitted to the home LA. If this is Somerset, applications can be made on-line at www.somerset.gov.uk/admissions. Paper applications are available to download from the Somerset County Council website at www.somerset.gov.uk/admissions, or upon request by telephoning Somerset Direct on 0300 123 2224. Any supporting information must be received by the exemption period deadline using the appropriate Supplementary Information Form (SIF) where relevant.

Applications must be received by 23:59 hours on 15 January 2018, otherwise the application will be recorded as late. Late applications will be considered after those received on time. Please see the Somerset LA co-ordinated scheme for full details.

Outcomes for on time applications will be sent out by email (for on line applicants) or second class post on 16 April 2018 (or next working day).

Admissions during the academic year (in year admissions)

In year applications must be submitted directly to the school using the LA in-year application form (hard copy only)

Batches of applications will be processed with a 4pm daily working day deadline for receipt of applications. If more applications are received that there are places available, the over-subscription criteria will be applied. A decision will be notified in writing by second class post to the applicant within ten school days..

Proof of address may be required to be submitted with the application. This will be either the formal 'exchange of contracts' letter from the solicitor for a house purchase, a recent utility bill or the signing of a minimum of a six month tenancy agreement. The LA reserve the right to seek further documentary evidence to support a claim of residence.

Where there are more applications than places available within a particular year group, applications will be considered against the published oversubscription criteria and allocated up to the admission number/ limit.

Places will not be allocated more than six school weeks or half a term in advance of being required. The only exceptions are children of UK service personnel and other crown servants (including Diplomats) returning to the UK with a confirmed posting to the area (see Children of UK service personnel)

Oversubscription Criteria

When the school is oversubscribed, after the admission of pupils with an Education, Health and Care plan naming the school, priority for admission will be given to those children who meet the criteria set out below, in priority order:

1. Children Looked After– Children who are in the care of a Local Authority or have previously been and are now formally adopted or subject to a residence/child arrangement order or special guardianship order.
(See important note 1)
2. Children identified with a sensory, physical or medical disability (High Needs Pupils), where a multi-agency professional team has identified the school as the nearest suitable school. (See important note 2)
3. Children living in the catchment area, with a sibling at the school at the time of admission, and who live at the same address.
4. a) Children living in the rural catchment area. (See important note 3)
.. b) Children living in the catchment area.
5. Children living outside the catchment area, with a sibling at the school at the time of admission, and who live at the same address
6. Children registered in an Infant, First or Middle school (within the transfer school catchment area).
7. For Infant school admissions only; Children living outside the catchment area, with an older sibling at the linked junior school at the time of admission, and who live at the same address.
8. In VC schools with a religious foundation:
 - a) Children and/or parent(s) who are practising members of the founding religious body of the school (eg, Anglican or Methodist).
 - b) Children and/or parent(s) who are practising members of other churches or religious denominations. (see important note 4).

9.
 - a) Children of staff employed by the school for at least two years prior to the application closing date.
 - b) Children of staff employed by the school recruited to fill a vacant post for which there is a demonstrable skill shortage. (See important note 6)
10. Children not satisfying a higher criterion

Tie-break

If in categories 1-10 above a tie-break is necessary to determine which child is admitted, the child living closest to the school will be given priority for admission. Distance is measured in a straight line by a Geographical information System (GIS) method from the geocoded point of the school site to the geocoded point of the pupil's home.

Random allocation by drawing lots supervised by someone independent of the school will be used as a tie-break in categories 1-10 above to decide who has highest priority for admission if in two or more cases the children's homes are equidistant from the school.

However, if children of multiple births (twins and triplets) are tied for the final place, those siblings will be admitted over PAN

Important Notes

1. A looked after child is a child who is (a) in the care of a local authority, or (b) being provided with accommodation by a local authority in the exercise of their social services functions (see the definition in Section 22 (1) of the Children Act 1989).
2. Criterion 2 enables schools to plan with SEN Officers for the school entry of children with physical, medical or sensory impairments. This includes children that are in receipt of Early Years School Action Plus funding at level 3 and / or where significant capital works (e.g., accessible toilets, changing space, access to classrooms) are required and / or children that are identified as requiring a place at a Resource Base attached to a mainstream school
3. 'Rural catchment' is defined as living in the catchment area of a school and there is no alternative school within the statutory walking distance of the home address (2 miles for a child aged under eight years old and 3 miles for a child aged eight years old and over)
4. "Practising" is defined as at least once a month for at least six months prior to the application closing date attendance at church by at least one parent and/or child. In order for applications to be considered against criterion 8 applicants will need to use the appropriate Supplementary Application Form (SIF) to demonstrate their ability to meet the particular criterion. The SIF will

need to be completed and signed by a member of the clergy and submitted along with the school place application.

5. Criterion 9 - The Head Teacher or Governing Body of the relevant school will be asked to verify point b.
6. Criterion 4, 8 and 9 – Children considered under sub-criteria a) will have a priority over children considered under sub-criteria b).

Additional Information

Home Address

The home address is very important as school places are allocated on the basis of the permanent home address of each child. A child's permanent home address is considered to be where the child spends the majority of their time with parents or carers. (Please see shared care arrangements information below).

Documentary evidence of home ownership or suitable rental agreement may be required, together with proof of permanent residence at the property concerned. Places cannot be allocated on the basis of an intended future address, unless the house move can be confirmed through the formal 'exchange of contracts' or the signing of a minimum of a six month formal tenancy agreement from a letting agency. Please note private letting agreements may not be accepted as proof of residence. An address change due to a move to live with other family members or friends will not be considered until the move has taken place and suitable proof of residency has been obtained. Proof that a move from the previous address has taken place may also be required e.g. proof of exchange of contracts, a tenancy agreement showing the end date of the tenancy or a notice to quit from the landlord or repossession notice. The L A reserve the right to seek further documentary evidence to support any claim of residence which could include contacting the estate agent, solicitor, landlord or relevant professional. A representative of the L A may carry out a home visit/s without prior notice to verify a pupil's home address.

An address used for childcare arrangements cannot be used as a home address for the purpose of applying for a school place. Fraudulent claims relating to the home address of a particular child may lead to the withdrawal of any offer of a school place.

Proof of address will not be required for Traveller families where the address is confirmed by the Traveller Education Service. A foster carer will not be required to supply proof of address for a child placed with them by a LA.

The LA and/or Admissions Authority must be notified of any change of address during the admissions procedure.

Shared care arrangements

Where shared care arrangements are in place and parents/ carers of the child submit two separate applications for different schools, the LA requires parents to

resolve matters between themselves, taking legal advice if necessary, and inform the LA which application should be processed. The LA will not become involved in private disputes. If more than one offer of a school place is made, the LA would expect one of the places to be withdrawn by the parent. If this is not the case, when the child starts school, the alternative school place will be withdrawn by the LA.

Where shared care arrangements are in place it may be necessary to establish the permanent home address for the child. In certain circumstances parent/carers will be asked to write to the LA stating the number of days each week the child spends with them. The LA may ask for evidence of which parent/carer was in receipt of child benefit at the point of application. If the parent/carer is not in receipt of child benefit, the LA will ask for proof of the child's home address as held by the doctor's surgery at the point of application. If the child's home address cannot be verified the LA reserve the right to request further documentary evidence to support any claim of permanent home address.

Parent/Carer

Natural parents, whether they are married or not, any person who, although not a natural parent, has parental responsibility for a child or young person. Any person who, although not a natural parent, has care of a child or young person (having care of a child or young person means that a person with whom the child lives and who looks after the child, irrespective of what their relationship is with the child is considered to be a parent in education law).

Relevant Area

The School Standards & Framework Act 1998 requires LA's to establish Relevant Area(s) for admission policy consultations. The Relevant Area is the area in which admission authorities must consult with schools regarding their proposed admission arrangements before finalising them.

The Education Act 2002 requires the LA to consult on and review its Relevant Area every 2 years.

The relevant area for Somerset admission authority is the geographical area for Somerset. The relevant area for VA, Foundation, Academies and Free Schools is the district in which the school is located (i.e. Mendip, South Somerset, Taunton Deane, West Somerset or Sedgemoor.)

Sibling

For the purpose of admissions, a sibling is defined as children living at the same permanent home address. Please see the information on 'Shared residency arrangements' which will apply if necessary in order to determine the sibling's permanent home address.

Appeals

All applicants refused a place have a right of appeal to an independent appeal panel constituted and operated in accordance with the School Admission Appeals Code.

Details of how to appeal are included in the outcome email or letter. Information on the timetable for the appeals process is available on the Somerset LA website by 28 February each year.

Waiting lists

The LA will maintain a waiting list for the entry year group for every Community and Voluntary Controlled school where more applications are received than there are places available. The waiting list will operate until the end of the first term after the beginning of the school year.

Children's position on the waiting list will be determined solely in accordance with the oversubscription criteria. Where places become vacant they will be allocated to children on the waiting list in accordance with the oversubscription criteria. The waiting list will be reordered in accordance with the oversubscription criteria whenever anyone is added to or leaves the waiting list.

The LA has delegated responsibility for waiting lists back to those schools who wish to keep a waiting list for further year groups or for longer periods of time. Please check the individual schools website for further details.

Withdrawal of places

The LA will consider withdrawing the offer of a place at a Community or Voluntary Controlled school if;

- The place has been offered on the basis of an application which is subsequently found to be fraudulent or intentionally misleading.
- If a school is offered on the basis of an address that is subsequently found to be different from a child's permanent home address then that place is liable to be withdrawn.
- The parent/carer has not responded to the offer within a reasonable period of time and a further opportunity has been given for the parent to respond within 10 days having explained that the offer may be withdrawn if they do not.

Deferred Entry

Parents offered a place in reception for their child have a right to defer entry, or to take a place up part-time, until the start of the term beginning immediately after their child has reached compulsory school age. However, places cannot be deferred beyond the beginning of the final term of the school year for which the offer was made.

Children reach compulsory school age on the prescribed day following their 5th birthday (or on their fifth birthday if it falls on a prescribed day). The prescribed days are 31 August, 31 December and 31 March.

Full-time schooling

Parents have a right to a full-time place at school for their child from the September following their fourth birthday.

Summer Born Children

Parents of summer born children may request that they are admitted into reception rather than year one when they become of compulsory school age. Applications will be considered as set out below (see admission of children outside their normal age group)

Admission of children outside their normal age group

Parents may request that their child is admitted to a year group outside their normal age range, for instance where the child is summer born or where the child is gifted or talented or where a child has suffered from particular social or medical issues impacting his or her schooling.

When such a request is made, the LA will make a decision on the basis of the circumstances of the case and in the best interests of the child concerned, taking into account the views of the Headteacher and any supporting evidence provided by the parent. If a request is refused, the child will still be considered for admission to their normal age group.

The parent is required to make an on-time application for the child's normal age group (if relevant) but can submit a request for admission out of the normal age group at the same time. The LA will ensure the parent is aware of whether the request for admission out of age group has been agreed before National Offer Day and the reason for any refusal.

Requests for admission out of the normal year group will be considered alongside other applications made at the same time. An application from a child who would 'normally' be a year 1 child for a reception place will be considered alongside applications for reception.

If a request for delayed admission is agreed, the school place application may be withdrawn before a place is offered and a new school place application will need to be made as part of the normal admissions round the following year.

If a request for a child to be admitted to school a year early is agreed, the school place application will be processed and an outcome will be sent on the National Offer Day.

If a request for delayed admission is refused, the parent must decide whether to accept the offer of a school place for the normal age group, or to refuse it and make an in year application for admission to year one for the September following the child's fifth birthday.

If a request for a child to be admitted to school a year early is refused, the school place application will not be processed and a new school place application will need to be made as part of the normal admissions round the following year.

There is no right of appeal against the decision not to allow your child to be admitted outside of their normal age group.

One admission authority cannot be required to honour a decision made by another admission authority on admission out of the normal age group. Parents, therefore, should consider whether to request admission out of the normal year group at all their preference schools, rather than just their first preference schools.

Staggered Entry

To help children settle smoothly into school, some schools operate different start dates for children entering reception classes. This is known as “Staggered Entry”.

Children from outside the UK

The LA will treat applications for children coming from overseas in accordance with European Union law or Home Office rules for non-European Economic Area nationals.

The LA will process applications for children who are citizens of the European Economic Area (EEA) and for UK citizens living abroad. If proof of the Somerset address is not available the application will be considered on the current address. The only exceptions are children of UK service personnel and other crown servants (including Diplomats) returning to the UK with a confirmed posting to the area (see children of UK service personnel).

The LA will not allocate a place to any non EEA citizen moving into Somerset from outside the UK prior to their arrival in the country. The LA will require copies of the passports, appropriately endorsed visas and proof of residency – see home address definition. Applicants who are citizens of countries from outside the EEA should first check that their visas will not be invalidated by taking up a maintained school or academy place before applying. If in doubt, parents should contact the Home Office.

Children of UK Service Personnel

The Admissions Authority endeavours to ensure that their admission arrangements support the Government’s commitment to removing disadvantage for service children. In year applications are usually considered for admission up to a maximum of half a term in advance of the place being taken up. An exception is made for children of UK service personnel with a confirmed posting to the area and crown servants returning from overseas to live in the area where a place can be made available up to a year in advance of being required providing the appropriate documentation is provided as proof of posting (an official government letter (e.g. MOD, FCO or GCHQ) declaring a relocation date and intended posting.)

Usually, a place may be allocated prior to actual residency, only on receipt of exchange of contracts or a formal signed rental agreement. An exception is made for children of UK service personnel with a confirmed posting to the area and crown

servants returning from overseas to live in the area. This means that, providing the application is accompanied by an official government letter (e.g. MOD, FCO or GCHQ) declaring a relocation date and intended posting, the admissions authority will process the application. If proof of a home address is not available at this stage the admissions authority will accept a unit postal address or quartering area address.

If the parent/carer is moving to the area as a result of leaving the armed forces then no special consideration will be given to the application under the grounds of the application being made by a service family.

Children Looked After (CLA)

The LA will endeavour to secure a place for a CLA at the catchment or nearest school to the address at which they are placed. A LA has the power to direct the admission authority for any maintained school (e.g. Voluntary Controlled, Community, Foundation and Voluntary Aided schools) in England to admit a child who is looked after by the LA, even when the school is full. The LA must **not** choose a school from which the child is permanently excluded but may choose a school whose infant classes are already at the maximum size. Before deciding to give a direction, the LA must consult the admission authority of the school it proposes to direct. In the case of an academy a LA can request that the Secretary of State consider directing the admission of a CLA.

Supplementary Information Form for Voluntary Controlled Schools

This form must be completed and submitted to Somerset Local Authority if you would like your application for a Voluntary Controlled school to be considered under criterion 8 of the over subscription criteria relating to regular church attendance which is:

Children and/or parent(s) who are practising members of the founding religious body of the school (e.g., Anglican or Methodist).

Children and/or parent(s) who are practising members of other churches or religious denominations.

“Practising” is defined as at least once a month for at least six months prior to the application closing date attendance at church by at least one parent and/or child.

Please ensure that the attached form is completed by you and signed by the relevant church representative (vicar, priest, minister, pastor, church warden) and submitted to Somerset Local Authority. It must be received by Somerset Local Authority by midnight on 9 February 2018 for primary admissions and 1 December 2017 for secondary admissions. For in year admissions it must be submitted directly to the school alongside an in year application form.

Failure to send the correctly completed supplementary information form to Somerset Local Authority by the closing date will mean that your application cannot be considered under the church attendance criterion.

Notes for Clergy

Notes for clergy or those responsible and authorised to sign supplementary information forms for those applying to church schools under a church attendance criterion.

The recommendation of the Bath & Wells DBE is that it is best practice to have a sub-committee of at least three members, including clergy, church wardens and those with responsibility for Sunday school to consider these requests and be authorised to sign the form if it is agreed appropriate.

Please also note that if this form is not received by Somerset Authority prior to the published deadline the child cannot be considered eligible under any church attendance criteria.

In order for the application to be considered under any church attendance criteria within the school's admissions arrangements, the following must be ensured:

1. The DBE does recommend that the child or a parent has attended actual worship and that attendance at toddler groups or other activities that are held at the church does NOT meet the requirements.
2. The completed form must be received by Somerset Local Authority by midnight on 9 February 2018 for primary admissions and 1 December 2017 for secondary admissions. For in year admissions the parent/carer must submit it directly to the school alongside an in year application form.
3. For applicants who have recently, or are about to move to a different area, the supplementary information form should be completed by the clergy at the church where they have been regularly worshipping. It is the responsibility of the applicant to organise this and ensure that the SIF is completed and sent in on time.

Please Note:

The application process is a legal one and every effort **MUST** be made to ensure that applications and any supplementary forms are completed accurately and on time. If applicants are unsuccessful, they have the right to appeal. **Clergy should not be pressured into signing a form if they know that the applicant does not, or are in doubt as to whether the applicant does, meet the criteria laid down by the school. This is one reason why a committee should consider every application. It is also particularly helpful where there is an inter-regnum or where clergy have been in post less than 6 months.**

Please complete your child's details then give this form to your clergy leader (priest/minister/pastor), who will complete the remaining part of the form.
