Mrs Lisa Goodland Headteacher

1st July 2020

Dear Parents/Carers,

As you are aware, usually at this time of year we would have been making plans for the children to spend time with their class ready for September as part of the transition process. Unfortunately and regrettably, at the moment we aren't able to invite the children into school to get to know us. However, I hope you have all been able to access and enjoy the welcome and the tour of the school videos we made for you to share with your children.

On Monday 6th July, I will be posting a new video with an activity for you to do with your child at home. The activity is a similar activity to something we would have done in school during the transition day. It is a great opportunity to share and talk about getting ready to go to school. Please can your child bring in their completed activity on the first day of school (more information will be in the video).

The video will be available using the link <http://www.countessgythaprimery.co.uk/transition-videos/> or can be accessed from the school website by clicking on; 'School Classes' and the first drop down menu called 'Transition Videos'. Once in the 'transition videos' page you will need to scroll down to your child's class for September where you will find the link for you to click on.

We hope your child enjoys watching the video and we are looking forward to receiving the completed activities and welcoming you in September.

Best wishes

Miss Grant
