PRIMARY  
SCHOOL

# Diary Dates

16<sup>th</sup> October 2026

Dear Parents and Guardians,

Another busy week at Countess Gytha bows out with the ever-popular PTFA disco – this term's theme being the Monster Mash! The pictures speak for themselves as to how much spooky enjoyment was had by all – thank you to the committee members and volunteers for tonight's fun and smiles!

Looking back to the beginning of the week, it was wonderful to have so many friends and families join us for our annual harvest celebrations. Classes shared activities that they had been enjoying in class to mark this important part of the farm-to-fork journey, as well as plenty of classic celebratory songs to a packed church! Thank you once again for the donations of food for the Lord's Larder food bank in Yeovil.

big thank you to all who supported this year's event – you have helped to raised over £420 for the school to purchase new class books with.

Your enthusiasm and generosity helps to ensure every child continues to have access to a wide variety of engaging reads. Bookman is absolutely delighted!

Rounding out the week, eight Year 6 children

represented the school at Queen's College Taunton in a maths challenge event. From solving cryptic crossnumber puzzles, to shuttle sprinting answers between team members across the hall, our mathematicians represented the school brilliantly, holding their own against some tough competition from the likes of Port Regis, Sunninghill Prep and of course, Queen's themselves.

Parents' evening meetings are due to take place next week – if you need to check or amend your booking, please speak to Mrs Annetts in the school office as soon as possible. Please note, that there will be no enrichment clubs running during the week; after school care will remain available for those booked in.

Before then however, on Saturday our Carnival entrants will be enjoying parading in the (hopefully dry) streets of Castle Cary, with their amazing creations; if you're coming to watch, please give our team a wave and a cheer!

### Back to school can mean a return of those pesky 'head lice'!

**How do I treat head lice?**  
Medicated lotions and sprays may not always be needed, the 'wet combing' method can be very effective at getting rid of headlice.

The **'Wet Combing'** Method:

- Wash your hair with ordinary shampoo
- Apply **lots** of conditioner to the hair (any conditioner will do)
- Comb the **whole** head of hair from **roots to the ends** using a special fine-toothed comb (detection comb). These can be bought online or from a pharmacy
- It usually takes about **10 minutes** to comb short hair, and **20-30 minutes** for long or curly hair
- Use this method on days **1, 5, 9 and 13**, so you catch any newly hatched lice
- Check everyone's hair again on **day 17** to make sure they are free of lice.

If you need medication, this can be bought from a supermarket or pharmacy. Some medicated treatments may need repeating after a week to kill any newly hatched lice

### ORAL HYGIENE

With a significant rise seen recently in child tooth extraction, please can we remind you of the importance of good oral hygiene

- Brush teeth twice a day:** ideally first thing in morning and last thing at night
- Use a fluoride toothpaste:** use a pea sized amount containing at least 1000ppm of fluoride
- Brush for 2 minutes:** ensure your child brushes for 2 minutes covering every tooth and surface
- Spit don't rinse:** after brushing your teeth spit the excess toothpaste and avoid rinsing
