23<sup>rd</sup> January 2026

Dear Parents and Guardians,

Thank you to all who supported the Mendips cake sale on Thursday, Enes and Tayana – House Captains for Mendips – are pleased to report a total of £72.50 raised. All monies raised will be totalled following the final house cake sale in the summer term and put towards school extras!

Basketball at  
Bucklers' Mead

Our basketball team took part in an exciting afternoon tournament at Bucklers' Mead. The competition began with a well-matched 0-0 draw against East Coker, followed by a confident performance against Kingfisher. A strong 3-0 victory was followed with a 3-1 win against St Gildas, with goals from Alex and Barnaby.

Despite a narrow 2-1 defeat to Huish, in which Jaxon scored a fantastic shot, the team showed resilience and bounced back with a 2-1 win over Primrose Lane, with the tournament ending with an entertaining 2-2 draw against South Petherton – Albie finding

## New Sheds!

the net again twice! Enes delivered a standout defensive performance, making crucial interceptions and rebounds throughout. Well done to everyone involved for representing the school so positively.

Excitingly, we have some shed-related news this week – with both Merlin and Preschool having a new shed apiece to store their outdoor and seasonal equipment. A big thank you to Mr White for helping to remove the old units, we hope that you agree they look very smart and should last well into the future, being of metal construction.

Congratulations Sophia, you are Merlin's Star of the Week – for showing great enthusiasm and positivity throughout your week – you always have a smile on your face around the school – something which is always lovely to see, Sophia! Well done Henry, you are Merlin's Worker of the Week for challenging yourself to write four sentences, remembering finger spaces and full stops throughout – incredible news in your birthday week, young man!

Pendragon – Congratulations Imogen, you are Pendragon's Star of the Week – for trying really hard to keep your letters sat on the line as well as having a 'can-do' attitude towards all of your learning – lovely news, Imogen! Pendragon's Worker of the Week this week goes to Arthur, for his brilliant effort in phonics and just as importantly, his effort in applying his phonic knowledge in other subjects too – keep up the great work, Arthur!

King Arthur – This week, we are celebrating Harriet as Miss Bridge's Star of the Week, for always being the first person to volunteer to help another child or teacher – you have such a positive and caring attitude Hattie, well done! King Arthur's Worker of the Week goes to Eliza, for writing an excellent description of an Egyptian god, which included some amazing prepositions and expanded noun phrases – great to read, Eliza!

Excalibur – Layla is the Star of the Week in Excalibur, for being a kind member of the class and always offering her time to help staff and her peers around her – great to hear, Layla! Excalibur's Worker of the Week is awarded to Harriet, for challenging herself to use a good range of vocabulary and a range of other features in her latest extended write – excellent effort, young lady!

Lancelot – Henry has been recognised as Lancelot's Star of the Week for demonstrating enthusiasm and contributing to class discussions during the class's science investigation about thermal insulators – this all sounds very impressive, Henry! Mr Gallagher's Worker of the Week goes to Rupert, for an outstanding extended write, written around the class text of the Lucky Dip, including cohesion, varied sentence openings and immediately creating a strong sense of atmosphere to the storyline – the Board of Brilliance is waiting, Rupert!

A special mention to Emily, who attended the second round of showjumping at the NSEA GR Regionals, hosted at Moreton equestrian. Emily continues to represent both herself and the school brilliantly, coming 2nd in the 40-style class and has now qualified for the Hickstead championships in August – a phenomenal achievement to represent the school so highly at regional level and we wish her the very best at the national competition in summer.

Your child has been sent home with a bird spotting sheet today so that they can record how many bird species are spotted within one hour. Please return these to class teachers by Monday 2<sup>nd</sup> February 2026.*

*Please do not park on the hashed or yellow zig zags around the school entrances or in the surgery opposite, when collecting children from school. We thank you for your cooperation in this matter.*
