Diary Dates

9th October 2026

Dear Parents and Guardians,

Despite the weather at pickup, the school radiated with sunny vibes throughout the day, as children donned their yellow attire to celebrate Hello Yellow 2026! The annual event is designed to focus attention on wellbeing, mental health and positivity and the children certainly brought plenty of that today!

From Pikachu to golden sunshines, yellow onesies to the brightest socks, the children looked incredible – we look forward to announcing the total raised next week but a big thank you on behalf of Young Minds is definitely in order!

Emily and George proudly share all about their mum's amazing work in Kenya as part of the Hello Yellow assembly

What an afternoon of energy, determination and positivity at the second YSGA Cross Country event we had at Yeovil Rugby Club! We were incredibly proud to have 20 runners from Years 2–6 representing our school against 425 children from 31 schools. Every single one of our runners gave their absolute best, showing fantastic effort and determination as they tackled the course. We had some brilliant individual finishes, including 5th, 9th, 13th and 21st place, but as ever, we are just as proud of every child who crosses the finish line!

In more sports news this week, our Year 5/6 netball team enjoyed a fantastic tournament at Westfield Academy, showing great teamwork and plenty of skill throughout the afternoon. The team won three, drew one and narrowly lost one. 8 goals were scored and we conceded just 1! There were goals from Finley, Emelia, Olivia, Freddie and Lily, while Emily and Harrison also put in fantastic performances, making important contributions across the court. A fantastic team effort — well done to everyone who took part!

Poetry Finalists 2026

confidence by performing to partners, small groups and their whole class.

After some fantastic class performances, a selection of children were chosen to take part in the grand final. Our finalists performed brilliantly in front of our guest judges, Bob and Kit – poetry aficionados from the local community, who absolutely loved watching their performances. A huge well done to every child who took part. We were incredibly proud of the confidence, expression, enthusiasm and creativity shown throughout the competition.

Congratulations to our winners: Ronnie and Lottie from Merlin, Sienna, Matilda, Tilly and Henry from Pendragon, Eliza from King Arthur, Henry from Excalibur and Harrison and Freddie from Lancelot.

Children in Merlin and Pendragon were joined by the PTFA this week to assist with their annual Christmas Card decorations. The children loved the creativity and we look forward to sending out the invites to parents to purchase, later in the term. Next week, the PTFA will be back in school again but this time for to round out the week, with a monster-mash themed disco.

Excalibur and Lancelot children join a Guinness World Record attempt for Most People Reading Online For 12 Hours – we played our part, so fingers crossed!

Parents may have spotted the posters advertising this year's Scholastic Book Fair. From Tuesday to Thursday next week, there will be an opportunity to visit the fair, with classes visiting together during the day as well. Much of the proceeds goes towards ensuring the school continues to offer relevant, engaging and inspiring books for all our classes.

Also on Tuesday next week, we will be celebrating harvest in St Barnabas church at 11am. We are accepting food donations for the Lords Larder food bank in Yeovil and any donation is greatly appreciated.

Also on the 13th, Reception and Year 1 and 2 parents are invited to join Miss Morris, Mr Gallagher and Mrs King from 3pm in the school hall to discuss the school's approach to phonics, using the Little Wandle scheme and early reading more generally.

The following week will be parent's evening for most classes – you are invited to book an appointment using our online booking system or via the school office. If you have any issues, please do not hesitate to get in contact with us. Please note, there will be no enrichment clubs during this week – please note, **after** school care will still be available.

Let's Wash Our Hands!

Whoosh! Whoosh!
Wash our hands
Under running water
Add some soap and
Rub them hard
Don't miss any part!
Get between our fingers
Under the nail
Get germ without the
Finger and nail
And round the wrist
No germ will be around!

They may hate
But we shall sing
So we will not fall sick!

Splishy splashy
Dry like a sponge
Down the drain they go!

With clean towels
We dry our hands
Now let's show our friends!

Remember to wash our hands:

- After using the toilet
- After coughing or sneezing
- After playing with pets
- After playing or playing outside
- Before eating

If your child is experiencing issues with daytime/nighttime wetting often the situation can be improved by following the...

4 Steps to a Healthy Bladder

1. Check the bowel

It is important to rule out constipation as a full bowel will reduce the capacity of the bladder to expand

2. Check for a UTI (Urinary Tract Infection)

Bugs in the bladder can cause issues around wetting so it is important to check for infection

3. Drink plenty!

The bladder is a muscle and all muscles need exercising, visit the link below for advice regarding how much your child should be drinking

4. Relax to wee

Ensure your child is comfortable sitting on the toilet encourage them to take their time & encourage boys to do sit down wees

Back to school can mean a return of those pesky 'head lice'!

How do I treat head lice?

Medicated lotions and sprays may not always be needed, the 'wet combing' method can be very effective at getting rid of headlice.

The **'Wet Combing'** Method:

- Wash your hair with ordinary shampoo
- Apply **lots** of conditioner to the hair (any conditioner will do)
- Comb the **whole** head of hair from **roots to the ends** using a special fine-toothed comb (detection comb). These can be bought online or from a pharmacy
- It usually takes about **10 minutes** to comb short hair, and **20-30 minutes** for long or curly hair
- Use this method on days **1, 5, 9 and 13**, so you catch any newly hatched lice
- Check everyone's hair again on **day 17** to make sure they are free of lice.

If you need medication, this can be bought from a supermarket or pharmacy. Some medicated treatments may need repeating after a week to kill any newly hatched lice
