GYTHA  
PRIMARY  
SCHOOL

# Diary Dates

16<sup>th</sup> January 2026

Dear Parents and Guardians,

It was wonderful to be joined by families in Pendragon and Merlin classes, as the school hosted two family workshops, organised by Fiasco Circus Skills!

Children (and parents!) enjoyed a range of circus-based activities, including the high wire, juggling, balancing and twirling. It was a wonderful way to start the term with our first week back proper and a lovely opportunity for families to join their children in their movement learning.

Our enrichment clubs have now restarted for the term, with many of our children taking up wider development opportunities. From quiz club to construction, badminton to drawing – we know that there is something for everyone on offer!

The autumn survey has now closed; thank you to all who responded to this or the wrap around care survey. The report from the parent survey will be published in the spring edition of the newsletter and in the meantime, we will carefully consider the responses to continue to best meet the needs of our families.

One area of exploration is the possibility of increasing paid-for activity clubs during term time. If this is something that you feel you would be interested in, please speak to me to discuss what sort of clubs or opportunities you would like to see offered. The summer surveys will open following the May half-term.

Please do not forget that class curriculum letters, outlining topics and learning in each subject, are now available [on the Curriculum webpage](#).

Family Workshop  
– Circus Skills

Countess Gytha Primary and Preschool is committed to safeguarding and promoting the welfare of children and young persons. We will ensure that the highest priority is given safeguarding our children. Mr Gordon is the school's Designated Safeguarding Lead and in his absence, Mrs Trusson, Miss Bridge, Ms Flagg and Mrs Gillman.

I would like you to join me in congratulating the following children who were recognised this week by their teachers for excellent hard work and dedication:

Congratulations Sophie, you are Merlin's Star of the Week – for always following the classrooms rules and being ready to learn – you're setting a fantastic example, Sophie – well done! Well done Lottie, you are Merlin's Worker of the Week for creating a fantastic dinosaur fact file this week – who knew some dinosaurs don't have teeth! A fun and brilliantly creative set of sentences young lady, well done!

Pendragon – Congratulations Alex, you are Pendragon's Star of the Week – for being a supportive and kind friend to all your classmates – lovely news, Alex! Pendragon's Worker of the Week this week goes to Lily, for her fantastic diary account as Cinderella. Keep up the great work, Lily!

King Arthur – This week, we are celebrating George as Miss Bridge's Star of the Week, for working hard in lessons and for his positive attitude towards all learning this week! Miss Bridge and team are extremely proud George, keep it up and well done! King Arthur's Worker of the Week goes to Georgia H, for excellent work in her maths – particularly in scaling – working out how many times bigger one shape is from another – a tricky topic, Georgia – even for Year 6!

Excalibur – Violet is the Star of the Week in Excalibur, for always being kind and helpful towards her peers and friends – great to hear, Violet! Excalibur's Worker of the Week is awarded to McKenzie, for his superb handwriting and presentation as well as dedication to being the best mathematician he can be in his shape learning – excellent effort, young man!

Lancelot – Alfie W has been recognised as Lancelot's Star of the Week for excellent writing based on The Lucky Dip; for accurate answers in his maths booster classes and for being a supportive shoulder partner – sounds as if you've had a brilliant week all-round, Alfie! Mr Gallagher's Worker of the Week goes to Barnaby, for an outstanding extended write, written from a different perspective and demonstrating unique ideas – brilliant to hear, Barnaby – I can't wait to read it on the Board of Brilliance!

A special mention to Isabelle, who performed in two shows with her dance school last Sunday at Westlands. Isabelle performed both acrobatic arts and ballet dances to an audience of 500 people each time, with shows based on The Wizard of Oz and Wicked!

Countess Gytha Primary and Preschool is committed to safeguarding and promoting the welfare of children and young persons. We will ensure that the highest priority is given safeguarding our children. Mr Gordon is the school's Designated Safeguarding Lead and in his absence, Mrs Trusson, Miss Bridge, Ms Flagg and Mrs Gillman.

Please do not park on the hashed or yellow zig zags around the school entrances or in the surgery opposite, when collecting children from school. We thank you for your cooperation in this matter.
