Behaviour Policy including suspension and exclusion arrangements

RATIONALE

We seek to ensure that all of our children learn and thrive in an environment completely free from the fear of intimidation by others. Values such as honesty, compassion, respect and tolerance are key to our school.

As a school we feel it is important to promote a caring and supportive environment to enable all members of our school community feel secure, respected and therefore encourage good behaviour in others. We believe that the development of personal qualities and social skills and the fostering of socially acceptable behaviour are an integral aspect of the life of our school supported by curriculum content such as Personal, Social, Health and Citizenship Education. All children will at some point make wrong choices, but it is our intention that through this policy our pupils can be given clear guidelines on how to behave well as well as knowing that they can have hope in being able to learn for the future after any mistakes have been made.

AIMS

We aim:

- to ensure care and consistency
- to be fair and be seen to be fair
- to treat all with respect
- to have clear expectations and strategies to ensure they are met
- to provide planned activities which motivate all to learn academically and socially.

Countess Gytha Primary School Rules:

The rules are a teaching and learning tool which need to be constantly re-enforced and highlighted by all members of the school community.

1. We respect each other's right to learn and to do our best.
2. We show care for each other and our school.
3. We move about our school quietly and safely.
4. We always listen and respond politely.
5. We are kind and treat others as we would like to be treated.

INCENTIVES TO POSITIVE BEHAVIOUR

We believe the ideal rewards are the intrinsic rewards offered by:

- good relationships
- a stimulating curriculum
- positive role models.

It is important to have a reward system in place which celebrates all forms of social and academic achievement and effort. We wish to ensure that each child has the opportunity to experience success

The Reward System and the Incentives towards Good Behaviour

Non-verbal praise: a smile, pat on the back, thumbs up, applause

Verbal praise: we believe this is an important factor in creating a positive atmosphere which will promote good behaviour. It will be related to the Countess Gytha Primary School Golden Rules and can be given to and by everyone. It may be private or public.

Marking Policy and Display

Positive comments are used to build on success and children's work is displayed so that it is obvious to any visitor that we are proud of success.

Sharing

In recognition of a particular task or behaviour the pupil may share success with others:

- i the class
- ii the neighbouring class or teacher
- iii an adult chosen by the child
- iv the Head teacher
- v Parents/ wider community

Stickers and Team Points

Across the school, the children work towards gaining House Points for good work or behaviour. In addition, a weekly Celebration Assembly takes place where individual children in each class are praised for good work or good behaviour and are awarded the Star of the Week certificate and cup. Each child is a member of one of four houses: Poldens; Quantocks; Blackdowns or Mendips and house points are accrued weekly

and half termly. A 'House Party' is awarded to the winning house at the end of each academic year. Inter-house sport competitions take place at regular intervals throughout the school year.

Attendance awards are designed to encourage our children to understand the importance of being in school daily. Attendance is calculated weekly and the two classes with the most attendance on a given week will receive the silver or gold attendance cup to display in their classrooms.

Discouraging Unacceptable Behaviour and Restorative Justice

It is important to remember before we resort to our sanctions/ punishments, that we ensure a child who has misbehaved in some way is given the opportunity to make amends and experience forgiveness.

The process should be:

- Understanding of what was wrong
- Understanding feelings of others
- Feeling sorry
- Problem solving to put it right
- Learning for the future

However, there is a need for sanctions if a child breaks established class/ school rules. It is our belief that sanctions consistently and firmly applied will result in clear boundaries and therefore good behaviour promoted.

NB It is important at all times to criticise and target the behaviour and not the child.

Sanctions - The Three "Strike" Rule

For unacceptable behaviour, the following sequence will be used.

Praise - given to the children who are showing appropriate behaviour at all times.

Non-verbal - signal or shake of the head, look etc (the aim being to cause as little disruption as possible to learning. Positive first opportunity to do the right thing)

Verbal - a reminder of the Countess Gytha Primary School Golden Rules and clear discussion about what needs to happen to put the situation right to avoid possible sanctions. (Second opportunity to do the right thing). Name written on board.

Time out (Break/Lunchtime) this is the final action that results from poor behaviour following previous reminders. (Third and final opportunity to behave appropriately missed.)

If a child continues to misbehave, she/he will be referred to a senior member of staff/appropriate Phase leader who will decide which of various sanctions should be applied.

The parents of a child who frequently misbehaves will be notified by a conversation or a letter signed by the class teacher. The SENCo will be informed, and behavioural advice sought if relevant. (Behaviour Plan put in place if appropriate)

For Serious incidents/persistent misbehaviour:

Referral to an SLT member/Deputy/Head teacher.

Fast Track with involvement of the SENCo and outside agencies

Some behaviour may be so serious that a senior member of staff and, or parents are immediately involved. Behaviour such as:

- i bullying
- ii defiance/ use of bad language
- iii damaging school or others' property
- iv assaulting a member of staff - verbal or physical
- v fighting
- vi leaving the school grounds without permission
- vii behaviour which causes an accident/ Health and Safety issue

Where an incident has not been witnessed by an adult, children are asked to explain what has happened from their own perspective; this sometimes may be through a written account. This enables staff to take appropriate action.

At this stage the parents will be contacted as exclusion (fixed term or permanent) may be necessary. Children may be excluded from planned visits due to their behaviour.

The Head teacher may decide upon an internal exclusion where the child works away from the class for a day. The child may need to be placed on the following Disciplinary Code:

1. An interview with the child and another member of staff will be held in a one-to-one situation, away from everyone else, which may result in an interview with the class teacher, the parents and the child.
2. An interview between the Senior Leader and the parents of the child. This may result in a written reporting system which will involve the parents. The length of time for these reports will be negotiable.
3. If all the above measures fail, then the Senior Leader, in consultation with the Governors, Local Education Authority and outside agencies, will apply a fixed term or permanent exclusion.

SUSPENSION ARRANGEMENTS

SUSPENSION OR PERMANENT EXCLUSION FROM SCHOOL – ADMINISTERING THE PROCESS

Our exclusion arrangements are conducted in full accordance with the Equality Act 2010 and the statutory guidance, Suspension and Permanent Exclusions from Academies, August 2024

If the Head teacher is satisfied that a pupil has committed a disciplinary offence, and the pupil is being removed from the school site for that reason, the formal process comes into operation.

Only the Head teacher (or in their absence the acting Head teacher) can suspend or exclude a pupil and the decision to exclude should always be done after careful consideration of all the relevant facts and circumstances.

The Suspension or Exclusion Process

- * The child is removed from any area where he/she could harm him/herself or others
- * Parents or Guardians are contacted as soon as reasonably possible, given a brief explanation of the difficulties and notified that they must collect their child from school at an agreed time. The length of the intended suspension is clearly stated verbally to the Parents or Guardians at this time.
- * The School Office will prepare and send the formal suspension or exclusion letter to parents.
- * The School has a duty to provide education during a suspension, for the first 6 working days. Work will be prepared and sent home by the child's Class Teacher.
- * If a suspension is to last for more than 6 days, the school will work with the governing body and if appropriate, the Local Authority as to what suitable provision should be in place for a child starting no later than the sixth day from their exclusion date.
- * On the child's return to school, the Head teacher (or in their absence the acting Head teacher) will meet with the child and the Parents/Guardians to discuss reentry to the school and establish the need for appropriate behaviour in reference to the School's Behaviour Policy.
- * The Head teacher may decide to rescind an exclusion before the Local Governing Body has met to consider whether a pupil should be reinstated. This practice is sometimes known as withdrawing or rescinding an exclusion. If this occurs, the parents, the governing board and the local authority, must be notified and, if relevant, the social worker and Virtual School Head.

Pastoral Support Plan (PSP)

After a fixed term exclusion, a PSP will be considered by the Senior Leadership team. A PSP plan is for children who are at risk of further FTEs or permanent exclusion.

The School's Obligation

Fixed period exclusions totalling 5 or fewer days or 10 or fewer lunchtimes or half days must be reported for monitoring purposes to the Local Governing Body (LGB).

Where a pupil is given a fixed period exclusion of a duration of six days or longer, the School has a duty to arrange suitable full-time educational provision from and including the sixth school day of exclusion. This would happen in consultation with the Support Services.

Fixed Period Exclusion of 15+ days

The Clerk should secure from the Head teacher the following:

- * PSP or IEP
- * Log of incidents
- * Copy of any professional reports
- * Any other relevant information
- * School assessment test results
- * Most recent School report
- * If KS1, Foundation Profile, School Entry Plan, Boxall Profile

The Clerk must then check the availability of the Head teacher, relevant LGB and Parents/Guardians for the review meeting. This must take place between the 6th and 15th school day following notification from the Head teacher. The meeting should be at a time and place convenient to all parties.

Witness Statements

The Head teacher should, where appropriate, keep written records of the actions taken, including any interview with the pupil concerned.

Permanent Exclusion

When a permanent exclusion is notified to the LGB, the Clerk must secure the following information from the Head teacher:

- * Any information in support of the decision to exclude
- * A summary of the strategies and interventions used to try to prevent permanent exclusion
- * Copies of PSP and IEPs for the pupil over the past 12 months
- * A log of incidents

- * Attendance record
- * Copies of reports from the Support Services
- * Behaviour/Discipline Policy
- * School assessment results
- * Copy of the most recent School report
- * If the pupil is in KS1, information from Foundation Profile, School Entry Plan, Boxall Profile
- * Relevant information about the pupil's home circumstances
- * Relevant information regarding SEN, disability or medical conditions
- * Witness statements

The Clerk must then check the availability of the Head teacher, relevant LGB and Parents/Guardians for the review meeting. This must take place between the 6th and 15th school day following notification from the Head teacher. The meeting should be at a time and place convenient to all parties.

The Clerk will collate and forward the information to the LA where a Pupil Support Casework Officer will be allocated.

Governors Duty – Permanent Exclusion

The LGB will ensure that the Head Teacher or other delegated staff member has informed the Local Authority of the exclusion.

The LGB will comply with the statutory time limits. They may ask the Trust for advice but must make their decision alone. A note of the LGB's views on the exclusion will be placed on the Pupil's School Record with copies of the relevant papers. The Clerk will take detailed minutes, bearing in mind the parental right to appeal. A copy will be required if this goes to Independent Appeal.

The LGB will inform the Parent and Head teacher of its decision in writing no more than one day from the hearing, stating the reasons.

The LGB will not attach conditions to any direction it may give to the Head teacher to reinstate the pupil.

Where the LGB decides to uphold the permanent exclusion, its letter to the Parent/Guardian will include the following information:

- * The reason for the decision
- * Their right to appeal to an Independent Appeal Panel, together with the name and address of the person to whom any notice to appeal should be sent
- * The date by which the appeal should be lodged

- * That any notice of appeal must set out grounds on which the appeal is made
- * That any claim on grounds of disability discrimination can also be set out in the notice of appeal

Children Beyond

Occasionally some children may be beyond normal incentives and sanctions. Their behaviour may stem from physical or emotional needs which are not being met. They may be very unhappy and have a low self-esteem. In cases like this the SENCo will be involved as well as the Behaviour Support agency. His/her parents will be involved in agreeing the Individual Behaviour Plan, which will be consistent with the principles and practices within this policy. This support plan will identify the specific areas of need, the support the school can reasonably be expected to put in place and the consequences if necessary.

Conclusion

The Behaviour Policy has been written in order that we can manage the behaviour in our school in the best possible way and for the good of all who work in the school whether staff or pupils. If it is to be effective everyone must use it with confidence and consistency. Throughout, it is the principle of always promoting good behaviour that will apply.
