24th January 2025

Dear Lancelot Parents,

Sutton Bingham Reservoir Trip: Tuesday 4th March 2025

What your child needs to bring: bag, lunchbox, water bottle, trainers and wellington boots.

Lancelot class have been learning about Natural Resources in Geography this term with a focus on water. In March, we are visiting Sutton Bingham Water Treatment Works to find out more about how water is recycled and how it is treated before it reaches our taps and how water companies play their part in the water cycle.

Please can all children bring in a warm coat as well as a reading book. Children should wear their school uniform but with the exception of shoes which should be as follows: it is advised that children wear trainers for the first part of the day in which the children will be having a guided tour of the water treatment centre. After, we will have lunch, and they will be asked to change into their wellington boots as the children will be going on a nature walk around the site. If your child does not have any wellington boots, please do check with us as we may have some spare.

The cost of the trip is £3 per child. Payment will be set up on Parentpay shortly.

Please return the permission slip and make payment on Parentpay by Friday 28th February 2025.

Please do not hesitate to contact me should you have any questions. Many thanks for your support,

Mr Gallagher
