THE ACTIVITY HAS HELPED THE CHILDREN GAIN NEW INFORMATION & SKILLS WHICH HAS ENCOURAGED THEM TO USE AT HOME & IN THE FUTURE. THEY ARE ALSO ABLE TO SHOW THEIR PEERS THEIR KNOWLEDGE. REACHING OUT TO LINK SCHOOLS HAS SHOWN & TAUGHT THEM ABOUT DIFFERENT CULTURES & IT IS NICE TO SEE THIS ON THE FRIENDSHIP TREE.

If you have been directly involved in this activity what impact did it have on you?

N/A.

How could we improve this activity next time?

COULD ASK VISITORS IN FROM OTHER NATIONALITIES.

Any other comments?

THE PROJECTS WITHIN THE SCHOOL ARE AMAZING ~~THE~~ ~~THAT~~ WAYS TO SHOW THE CHILDREN ON DIFFERENT WAYS THEY ARE ABLE TO HELP THE PLANET WE LIVE IN AND CARRY FORWARD AT HOME WITHOUT IT FEELING LIKE ITS A TASK. WELL DONE TO ~~THE~~ ALL THAT HAVE TAKEN PART.

What impact has this activity had on the pupils involved (at your school or in your local community)?

Our world garden and the accompanying environmental lessons held weekly have given every child the opportunity to develop their interest in their environment. This time gives our pupils confidence, space to express themselves, new skills, interests and time with friends.

Comment on the impact this activity has had on you and any other staff involved (at your school or other schools).

Myself and other staff members enjoy the time spent in environmental lessons. Watching the children enjoy themselves, their excitement in discovering new things and their pride in their garden area.

Comment on the impact this activity has had on the school generally.

Spending time outside together tending our outdoor space has given the children a sense of shared responsibility and pride. It has encouraged a feeling of community and belonging amongst our pupils.

Please make any suggestions for improvement (e.g. What was the most effective part of this activity for you and why? What was the least effective and why?)

We hold our environmental lessons outside as much as possible and the weather can sometimes be challenging. An ideal solution will be a shelter or outdoor classroom - this will be our next project!
