Diary Dates

2nd May 2025

Dear Parents and Guardians,

With the fabulous sunny weather, I think it is safe to say the summer term is now well underway! Each class's curriculum letters outlining topics and learning for the term have now been published. All classes are available to view on our school website, by following this link.

We were delighted to be joined by Katie and Harold from Coram SCARF education, who provide the school's Personal, Social and Health Education (PSHE) resources. Children from Year 1 onwards took part in workshops, designed to allow all the chance to learn about their mental health, the impact they and their friends have on one another and how the brain develops in preparation for adolescents. Older children also had the opportunity to discuss social choices that they may face and how to best navigate these. As ever, if you

have any questions regarding the school's PSHE delivery, please do not hesitate to speak to me, with the school's policy available to view here.

fitness activities – all led by the Year 9 sports leaders of Ansford. The group really enjoyed their sessions and are looking forward to putting their refined skills to the test come Sports Day, later this term!

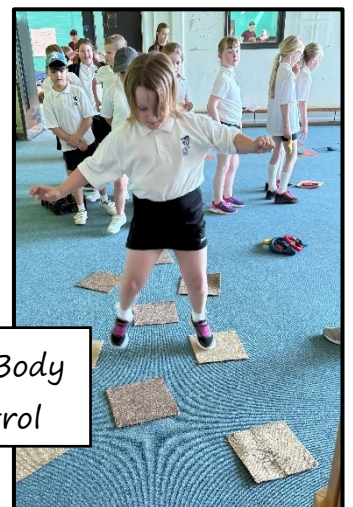

Countess Gytha Primary and Preschool is committed to safeguarding and promoting the welfare of children and young persons. We will ensure that the highest priority is given safeguarding our children. Mr Gordon is the school's Designated Safeguarding Lead and in his absence, Mrs Trusson, Miss Bridge, Ms Flagg and Mrs Gillman.

PSHE
Workshops

Year 3 enjoyed their Body Control workshop at Ansford Academy on Tuesday. The year group was put through its paces with balance, coordination, agility and

On the topic of sport, we are incredibly proud to announce that Countess Gytha pupils shone brightly in the YPSGA Cross Country League 2024-25, especially in the Year 2/3 Girls' category, where our school were crowned team champions! This brilliant achievement is a testament to the hard work, determination, and team spirit shown by our young runners throughout the season.

A special congratulations goes to Emily Board, who was named the Individual League Winner for the Year 2/3

Individual Winner

Girls. Emily's outstanding commitment, stamina, and focus across all the races earned her top place in the standings – an amazing accomplishment! She will receive a well-deserved trophy to recognise her achievement.

We are so proud of every pupil who took part and represented Countess Gytha with such enthusiasm; we cannot wait to report on our inter-area finalists, who are representing Yeovil in their races next week – good luck to Molly, Emily, Grace and Ruby.

tackled ten exciting tasks – from reading in the garden and sharing stories with family to experimenting with funny voices and reading in extreme spots. Many completed the bronze, silver, or golden levels by ticking off five, eight, or all ten challenges. Well done to the raffle winners: Evie, Seb, Lydia and Dylan.

Thank you to the PTFA who judged our poetry competition this week; we can't wait to announce the Poetry Week's competition winners in the next Diary Dates!

Mr Gordon is the school's Designated Safeguarding Lead and in his absence, Mrs Trusson, Miss Bridge, Ms Flagg and Mrs Gillman.

Countess Gytha played host to over 180 Preston Primary Academy Trust staff on Thursday evening, as we held the 2025 Education Conference. Mr Gallagher did a fantastic job of putting together guest speakers, including alumni of Countess Gytha to inspire school and trust staff on the theme of, 'Belonging.'

PPAT Education Conference 2025 - Belonging

Next week, Thursday 8th May, marks the 80th anniversary of Victory in Europe (VE) Day. There will be celebrations at St Barnabas Church in Queen Camel this Sunday 4th May, with the opportunity to hear first-hand what it was like to be an evacuee from London to Queen Camel too! The service starts at 9:30am.

We are inviting all children to come to school on Thursday 8th May in red, white and blue or any combination thereof! For those really wanting to get into the 1945 swing, please see some themed ideas below which would also be welcomed.

The children have been busy sowing and growing plants for our school garden. We will be selling our surplus plants to raise money to further develop our outdoor environments.

We hope to enhance our garden area with the addition of a rainwater collection station and a polytunnel/outdoor classroom. If anyone has a surplus of homegrown plants that we can sell or use in our garden, Mrs Hewlett or Mrs Feierabend would be happy to receive them.

Miss Morris and the Merlin team are delighted to celebrate the following children in reception. Congratulations Florence, you are Merlin's Star of the Week for always including others in your play, making sure that nobody is left out – lovely news to hear, Florence! Congratulations Imogen, you are Merlin's Worker of the Week for beautiful letter formation – you have worked really hard to form all letters correctly across all tasks – keep it up, young lady!

Pendragon – Congratulations to Lily, who is Pendragon's Star of the Week for working so hard in all of her English tasks – amazing news, Lily! Well done to November, who has been chosen as Pendragon's Worker of the Week for working hard to remember all key number bond facts – keep practising, November!

King Arthur – This week, we are celebrating Harriet A as Miss Bridge's Star of the Week, for always demonstrating excellent listening skills in all of her class subjects – well done, Harriet. King Arthur's Worker of the Week goes to Emily, for having an excellent understanding of 3D shapes and their properties – great work, Emily!

Excalibur – Henry has been awarded the Star of the Week in Excalibur, for being a polite member of the class who settles to his work and is increasingly putting his hand up to offer his unique insights – keep it up, Henry! Mrs Trusson's Worker of the Week is awarded to Edmund, for his approach to his work both in class and his homework – great to hear, Edmund!

Lancelot – The Star in Lancelot class this week is Sam, for his much-improved progress measures – Mr Gallagher is very proud and you should be too, Sam! Mr. Gallagher's Worker of the Week is awarded to Layton, for completing all of his assessments so efficiently and achieving greater depth in each and every one too – an incredible effort, Layton!

A special mention this week goes to George for completing his season at Sherborne Rugby Club – he has been awarded a medal in recognition of his teamwork all year. Hattie and Emelia both have achieved their Level 5 and 7 swimming certificates respectively, great work girls! Finally, Emily deserves a special mention for 'completing swimming' – she has achieved her final stage 10 certification and no doubt is looking forward to participating and completing more swimming challenges in the future!

Mr Gordon is the school's Designated Safeguarding Lead and in his absence, Mrs Trusson, Miss Bridge, Ms Flagg and Mrs Gillman.

At last, it almost feels like the summer is on its way. For this reason, you may wish to apply sun cream to your child at home before leaving for school. An appropriate sun hat would be useful to provide the best protection when your child is outside.

Please make sure sun hats are labelled with your child's name.

Sun creams cannot be applied by our staff, or shared with other children, so please ensure that the sun cream you use will give them the protection they need during the school day.

The children have been really busy sowing and growing plants for our school garden. We will be selling our surplus plants to raise money to further develop our outdoor environments.

We hope to enhance our garden area with the addition of a rainwater collection station and a polytunnel/ outdoor classroom.

If anyone has a surplus of homegrown plants that we can sell or use in our garden, we would be happy to receive them.

Thank you for your support.

EMBRACE THE STEM IN YOUR LIFE WITH SOMERSCEIENCE 2025!

Somerscience is delighted to invite you to our 3rd festival celebrating all aspects of science, technology, engineering and mathematics (STEM) in Somerset. STEM is about life and what we do with it. It helps us look after and understand our world and harness natural resources to build a better version or cyber alternatives.

Our whole programme is FREE with no tickets required. Start to grow your STEM profile at Haynes Motor Museum where our contributors show you how your lives are affected by STEM research and applications, how they go about investigating and innovating, and how you can get involved in a future study or career pathway.

You might want to take part in experiments or interactive demonstrations in the Science Fair Zones, take in a show or two, get hands-on in a workshop, explore your health in the Merlin room or sit in on a talk on a subject of interest. Or look after your nutrition at the food outlets on site and nearby.
