

Year 5 English Overview for Home Learning work pack WB 01.02.21 and WB 08.02.21

These two weeks will use a picture as the starting point.

Lesson 1 (Page 3 and 4) Exploring the picture	Lesson 2 (Page 5) Fact Finding	Lesson 3 (page 6) Poem	Lesson 4 (page 7-11) Reading Comprehension Look out for the loom lesson for this piece of work. It will be posted on tapestry.	Lesson 5 (page 12, 13 and 14) SPaG Look out for the loom lesson for this piece of work. It will be posted on tapestry.
Have a look at the Hummingbird picture on page 3 of the resource pack. Talk to a family member or make some notes, discussing the questions on page 4.	Using Page 5, read the text about hummingbirds. Answer the questions and complete the fact file. You could do your own research for some interesting facts at the end!	Write a poem addressed to a hummingbird. The poem on page 6 might give you some ideas. Notice how Poppy-Mai uses questions and lots of alliteration in her poem.	Moon landing Reading comprehension. Remember to answer in full sentences! Parents: There is an answer sheet with this task, which you may wish to remove.	Contractions are the shortened form of a word. Letters are omitted and an apostrophe represents the missing letters. Cut out and play the tarsia puzzle on page 12. Complete the tasks on page 13 and 14.
Lesson 6 (Page 15) Story	Lesson 7 Presentation Safer Internet Day	Lesson 8 Presentation	Lesson 9 SPaG Look out for the loom lesson for this piece of work. It will be posted on tapestry.	Lesson 10 (pages 17-21) Reading Comprehension Look out for the loom lesson for this piece of work. It will be posted on tapestry.
Environmental activist Wangari Maathai has written a short story about a hummingbird that may help children to think about climate change. Page 15. Can you write a longer version of this story adding extra detail to engage the reader? You might like to write in the voice of the hummingbird in the first person. Check you have included all of the elements on the writing checklist (page 15).	Produce a Powerpoint presentation about hummingbirds that you could present to a family member or upload to tapestry for us to see. Include pictures and key facts. You could look at some YouTube clips to inspire you: https://www.youtube.com/watch?v=FPRswRWZ23Q https://www.youtube.com/watch?v=EQZ_BYjfly8 Start by making some notes and looking back over the work you did last week. Then sort your information, so that each slide covers a different aspect. For example, Slide 1 might be the title slide, Slide 2 might be introducing what a hummingbird is, Slide 3 might be what it eats, Slide 4 might be where it lives (habitat).		Complete the SPaG challenges on page 16. Extra challenge: write an example sentence for each box.	Shrove Tuesday Reading Comprehension. Remember to answer in full sentences! Parents: There is an answer sheet with this task, which you may wish to remove.

Any practise of spellings is beneficial. You could work on words you find tricky and are practising in your target book or any of the statutory words (page 1 and 2) in the English pack. You could do this as an 'Early Bird' activity every morning. Some parts of this website are free and can be used to practise spelling. <https://spellingframe.co.uk/>
