

Lancelot Birds of Prey Task Task 3: PERSONAL RESEARCH

Use the internet or a suitable reference book to find out about another **bird of prey**. It can be from anywhere in the world.

Useful website: <https://www.allaboutbirds.org/guide/>

Draw your chosen bird and then try to use more than one source to find out more information. Jot down some key facts that you find interesting.

Use these facts to create your own **Fact File** in the grid below.

Some categories for this factual information have already been selected, but there are also some empty categories for you to choose and fill in.

Name of bird	
Size	
Appearance	
Key features	
Natural habitat	
Preys on...	

You might like to write these facts out as a page for a reference book about birds.
