

Adventure Film Task (Geography) – The Imaginary Line - Links to America Topic

Watch the following film (which is awesome) and then answer the following questions. The later questions rely on you giving them some thought and offering your opinion, just make sure you support it.

<https://www.youtube.com/watch?v=dkG7koiNiq4>

1. Can you identify (roughly) the location of this film on a world map or on the America map from last pack? Describe the key information about the location below:
2. At the beginning of the film, the commentator mentions that the adventure might end up with everyone 'being in handcuffs'. Why?
3. Describe the geography of the location? What is the name of the river? What border does it span?
4. What natural force has caused the geography to look like this?
5. How would you describe the mood of the teams involved in this amazing slack-line adventure?
6. Would you like to have a go at this? Why?
7. What is the overall message of this film (it is not just about adventure)?
8. Are borders important? Why?
9. Building walls or making connections? Which would you prefer to see and why?
10. What was your favourite part of the film?
