<p>Joe Wicks will be continuing with his school workouts on a Monday, Wednesday & Friday morning at 9am. The link below should take you to Joe Wicks main page where you can join in live, or watch them pre-recorded. The Body Coach TV - YouTube</p> <p>In addition, I have included a circuits training programme which you can complete over the 2 weeks. All of the activities are possible to carry out in your home_(if the weather does not allow you to get outside!!). See if each day you can improve on your last score/performance</p>	<p>Over the next 2 weeks we shall have a brief tour of Europe. Have a look at the ppt slides enclosed within the work pack which covers aspects of Europe including; names of countries within Europe, famous landmarks, mountain ranges, rivers and Capital cities.</p> <p>There are several tasks/areas to research which have been set on the ppt for you to attempt. There are also lots of fun worksheets in the pack to develop your knowledge of Europe which you can select from (outlined in the next column)</p>	<ul style="list-style-type: none"> • <u>Map of Europe</u> - Label countries on a blank map of Europe • <u>European flags</u> – match the name of the country to each of the flags shown! • <u>Mountain ranges of Europe</u> (you will need access to an atlas or a good online search engine such as swiggle.org.uk - Child Friendly Search Engine for Kids or kiddle Kiddle - visual search engine for kids • <u>Which countries are part of the European Union?</u> – an interesting one to complete as our status has very recently changed. • <u>Which countries use the Euro?</u> (links to research question set on ppt) • <u>European Countries and Capital Cities</u> 	<p><u>Focus on an artist</u> <u>Henri Rousseau</u> was a French artist, who was part of the 'post-impressionism' era. This meant his art was abstract in style. Take a look at one of his most famous paintings 'Tiger in a tropical storm (Surprised!) which is enclosed in the Henri Rousseau ppt within this pack.</p> <p>Practise drawing jungle animals by using the 'step-by-step' drawing sheets which enclosed in this pack</p>	<p>Create your own jungle scene using the painting 'Tiger in a tropical storm (Surprised!) for inspiration.</p>

<p>If you have been completing the scratch junior work during home learning, you will notice in this pack we have moved onto the standard scratch platform....</p> <p>https://scratch.mit.edu/ideas</p> <p>If you visit the link above, it will take you to the 'ideas' page on scratch where there are many tutorials on various themes. Select one that interests you and have a go!</p>	<p><u>Safer Internet Day</u> This year, the focus is Trust. Have a look at the film about Safer Internet Day here: https://www.saferinternet.org.uk/safer-internet-day/safer-internet-day-2021/i-am-educator/safer-internet-day-films/films-5-11-year Have a go at using a trusted search engine such as Swiggle to do some of the Detective activities in the resource sheets, then have a go at matching the jargon words to their descriptions. The answers are provided in case you're not sure!</p>	<p>We have had some interesting weather recently, so this week (and perhaps over half term) I'd like you to have a go at some weather experiments. See the Weather Watch pages in the resource pack. If you don't have any of the items required, perhaps make a weather chart and record how the weather changes. Have a look at this link to become an expert at predicting the weather yourself! https://kids.nationalgeographic.com/explore/nature/predict-the-weather/</p>	<p>Have a go at some wind and waterpower experiments using the sheets in the resource pack. If you do not have the resources to make these, have a go at the renewable energy sources game at https://wonderville.org/asset/save-the-world</p>	<p>Shrove Tuesday https://www.bbc.co.uk/bitesize/topics/ztkxpv4/articles/z77jf4j Have a look at the BBC Bitesize page about Shrove Tuesday. Watch the video and have a look at the rest of the web page. Then make sure you have the right ingredients, ready for making pancakes on Tuesday!</p>
