

## Prep – SOYALUNA celebration

Native Americans do not celebrate Christian Festivals, but they do have an important winter ceremony – the SOYALUNA.

Your task is a research project, and I want you to answer the following questions within it:

1. What is the soyaluna and what phenomenon does it recognise?
2. What do the Native Americans do as a part of this ceremony? What do they make, do and believe?
3. What is the significance of 'The Great Serpent Mound' to the ceremony?
4. Who else celebrates this tradition? Can you think of an equivalent ceremonial location in the UK?

You can write this as an article or produce it as a poster. Up to you. Pictures are always good!
