It is important that your grant is used effectively and based on school need. The [Education Inspection Framework](#) makes clear there will be a focus on **‘whether leaders and those responsible for governors all understand their respective roles and perform these in a way that enhances the effectiveness of the school’**.

Under the [Quality of Education](#) Ofsted inspectors consider:

Intent - Curriculum design, coverage and appropriateness

Implementation - Curriculum delivery, Teaching (pedagogy) and Assessment

Impact - Attainment and progress

To assist schools with common transferable language this template has been developed to utilise the same three headings which should make your plans easily transferable between working documents.

Schools must use the funding to make **additional and sustainable** improvements to the quality of Physical Education, School Sport and Physical Activity (PESSPA) they offer. This means that you should use the Primary PE and sport premium to:

- Develop or add to the PESSPA activities that your school already offer
- Build capacity and capability within the school to ensure that improvements made now will benefit pupils joining the school in future years
- The Primary PE and sport premium should not be used to fund capital spend projects; the school's budget should fund these.

Please visit [gov.uk](https://www.gov.uk) for the revised DfE guidance including the 5 key indicators across which schools should demonstrate an improvement. This document will help you to review your provision and to report your spend. DfE encourages schools to use this template as an effective way of meeting the reporting requirements of the Primary PE and sport premium.

We recommend you start by reflecting on the impact of current provision and reviewing the previous spend.

Schools are required to [publish details](#) of how they spend this funding, including any under-spend from 2022/2023, as well as on the impact it has on pupils' PE and sport participation and attainment. **All funding must be spent by 31st July 2024.**

We recommend regularly updating the table and publishing it on your website throughout the year. This evidences your ongoing self-evaluation of how you are using the funding to secure maximum, sustainable impact. Final copy must be posted on your website by the end of the academic year and no later than the 31st July 2024. To see an example of how to complete the table please click [HERE](#).

Swimming Data

Please report on your Swimming Data below.

Meeting national curriculum requirements for swimming and water safety. N.B. Complete this section to your best ability. For example you might have practised safe self-rescue techniques on dry land which you can then transfer to the pool when school swimming restarts. Due to exceptional circumstances priority should be given to ensuring that pupils can perform safe self rescue even if they do not fully meet the first two requirements of the NC programme of study	
What percentage of your current Year 6 cohort swim competently, confidently and proficiently over a distance of at least 25 metres? N.B. Even though your pupils may swim in another year please report on their attainment on leaving primary school at the end of the summer term 2025. Please see note above	86%
What percentage of your current Year 6 cohort use a range of strokes effectively [for example, front crawl, backstroke and breaststroke]? Please see note above	86%
What percentage of your current Year 6 cohort perform safe self-rescue in different water-based situations?	86%
Schools can choose to use the Primary PE and sport premium to provide additional provision for swimming but this must be for activity over and above the national curriculum requirements. Have you used it in this way?	Yes – children in all year groups have received swimming tuition in year 24-25.

Action Plan and Budget Tracking

Capture your intended annual spend against the 5 key indicators. Clarify the success criteria and evidence of impact that you intend to measure to evaluate for pupils today and for the future.

Academic Year: 2024/25		Total fund allocated: £17430	Date Updated: 5 th September 2024	
Key indicator 1: The engagement of <u>all</u> pupils in regular physical activity – Chief Medical Officers guidelines recommend that primary school pupils undertake at least 30 minutes of physical activity a day in school				Percentage of total allocation:
				46%
Intent	Implementation		Impact	£8100
Your school focus should be clear what you want the pupils to know and be able to do and about what they need to learn and to consolidate through practice:	Make sure your actions to achieve are linked to your intentions:	Funding allocated:	Evidence of impact: what do pupils now know and what can they now do? What has changed?:	Sustainability and suggested next steps:
Employment of P.E. and school sport teacher	All pupils will be taught PE by a full-time member of school staff with high level of experience in PE and School Sport	£7750	One member of staff has been employed to deliver at least one hour of PE per class, per week. This is in addition to the hour taught by class teachers. 100% of observed lessons of PE staff rated as good or outstanding. Pupil voice and parent voice overwhelmingly positive towards the attitude and outcomes of PE and school sport. At least one of the two weekly NC P.E. lessons have taught by a PE specialist teacher, ensuring that children have received best practice tuition in PE knowledge and skills.	Investigate options to take on apprentice to develop competence and confidence in supporting quality first PE teaching.

Curriculum resources - Purchasing of specific PE equipment to enable a variety of sports to be taught in PE lesson and in after-school clubs. These will include inclusive sports equipment such as archery and boccia.	Pupils have access to different sports to engage and enthuse them in sport.	£350	New resources for tennis, active-play equipment (e.g. basketball hoops), have been purchased. Resources have been successfully integrated into the curriculum offer of the school as well as during intrahouse and school wide competitions. All children have access to these resources throughout the year, during specific planned topics.	PE specialist and PE coordinator to review curriculum resources and replace/add to as necessary. Continue to integrate new resources into curriculum PE offer, ensuring the inclusion of all pupils. Work with school council on developing an 'active play' storage area which is accessible to children without need for staff.
Key indicator 2: The profile of PESSPA being raised across the school as a tool for whole school improvement				Percentage of total allocation: 8%
Intent	Implementation		Impact	£1400
Your school focus should be clear what you want the pupils to know and be able to do and about what they need to learn and to consolidate through practice:	Make sure your actions to achieve are linked to your intentions:	Funding allocated:	Evidence of impact: what do pupils now know and what can they now do? What has changed?:	Sustainability and suggested next steps:
Sports leader training - Pupils in Y5 and receive sports leader training to lead sport activities and games during break and lunchtime on the playground.	Pupils are more active at break and lunchtimes.	£550	6 children have been trained as Play Leaders in Year 5. Play Leaders have been leading sporting activities across two break and lunchtimes weekly for all year groups. Pupil voice indicates a positive uptake of the Play Leader resource but that the opportunities could be longer if Play Leaders were available to setup proper to breaktime.	PE coordinator to consider the option to use Play Leaders across 5 break times per week, particularly in regard to active play initiative.

Quality assurance - Head/P.E. coordinator quality assures work of sports teacher by observing lessons and outcomes.	Release of Head Teacher and PE Subject Lead once termly per class to ensure national curriculum objectives are being met and that progress and attainment in PE is being made by all pupils	£750	<p>PE Coordinator has been released to observe PE lessons across the year. Head has covered PE coordinator classes in this time. 100% of PE lessons observed have been good or outstanding according to the framework used –</p> <p>https://schoolleaders.thekeysupport.com/staff/performance/lessonobservations/lesson-observationform-based-on-the-ofstedframework/</p> <p>Progress and attainment data shows very strong progress in PE for all pupil groups across the year. Pupil voice also indicates very strong feelings of success and personal progress in PE.</p>	PE coordinator to ensure regular observations of all teachers delivering PE, particularly ECT 2 teacher in September 2025 and prospect of taking on apprentice to support PE.
Membership of school to Somerset CCC - Membership to SCCC brings opportunities for qualified coaching via Chance 2 Shine run by ECB coaches.	Pupils are engaged in a new sport and participate competitively.	£100	<p>SCC subscribed to for a further year. Cricket World Cup resources and T20 resources shared between classes and to families.</p> <p>Staff travelled to Taunton to watch England vs. West Indies to better understand game. Cricket highlighted as a school sport – children from Countess Gytha widely participate in cricket as an extracurricular activity.</p>	<p>Renew participation in 25-26 year.</p> <p>PE coordinator to make further contacts with local club – QCCC</p> <p>PE coordinator to look at additional opportunities in other sports.</p>

Key indicator 3: Increased confidence, knowledge and skills of all staff in teaching PE and sport				Percentage of total allocation:
				13%
Intent	Implementation		Impact	£2300
Your school focus should be clear what you want the pupils to know and be able to do and about what they need to learn and to consolidate through practice:	Make sure your actions to achieve are linked to your intentions:	Funding allocated:	Evidence of impact: what do pupils now know and what can they now do? What has changed?:	Sustainability and suggested next steps:
CPD – swimming has been an area highlighted by class teaching staff which they would like additional training in. Employ an additional swim coach for all groups to have additional weekly CPD.	Staff leading swimming groups to participate in additional swimming CPD weekly	£2300	<p>PE specialist has worked in conjunction with another member of staff within the trust to have written an annual swimming plan, specific to all ages and abilities.</p> <p>Lessons observed this year have been consistently good or outstanding when taught in line with the revised planning.</p> <p>Second swimming coach continues to be used by school to ensure small pupil : staff ratios.</p>	PE coordinator to consider whether current swimming venue is best to serve school's growing NOR and whether they can accommodate large groups in single sessions.
